

THE VENUE ZONE PRICELIST

Your basic listing is now **FREE**
with an option to upgrade

The Venue Zone Online Directory gives site users the ability to make direct contact with your venue via your phone, email or weblink. They will also be able to use the website's online enquiry system if that is their preference.

- Deal directly with clients
- Use your own quoting system
- No commission payable on bookings

The site currently has an average of 6747 visitors per month (4405 unique), looking for venues throughout Australia.

Package Pricing has been reduced from the previous years. This is because there will not be a newsletter or marketing campaign at this time. Visitors will be from existing clients and those with previous knowledge of the directory.
